10.17 It is acceptable for electronic copies of team sheets to be produced on laptops, tablets or smart phones and shown to an opponent. Such team sheets must be sent to the Competition Administration Officer in the event of any query over player eligibility.

NB. AoC Sport have produced legal advice that confirms that the production of team sheets complies with GDPR regulations. Full details are available in the resources section of the AoC Sport website.

10.18 Teams can request to spot-check the identity of up to 3 opposing players (either using institution ID badges, remote access to ILR or any other form of identification).

10.19 Where there is concern as to the eligibility of any player, a playing under protest form should be completed before the match commences.

10.20 **Premier Leagues:** Both teams must send their fully completed team sheet to the Competition Administration Officer within two days of the completion of each fixture. Where a game is played on a Wednesday, the team sheet should be received by 4:00pm on the Friday.

10.23 The Competition Administration Officer must be informed by email on every occasion where an opponent does not exchange a team sheet,

stating the date of the match, the competition and the name of the teams involved in the match. Penalties will be imposed as follows

10.23.1 on the first occasion the offending team will be issued with a warning

10.23.2 the second breach of this rule will result in a 1-point deduction

10.24 Failure to attach the opponent's team sheet will result in the appeal being rejected.

10.25 AoC Sport staff have the right to attend any fixture and request to see a player's student ID with or without prior notice. Failure to provide the relevant information upon request will result in further action being taken.

10.26 Any team that is unable to provide team/squad sheets from any match under appeal will therefore be unable to defend the appeal made against them.

NB: We are dependent on coaches displaying sound educational ethos and values to ensure that rule 7 is upheld. In particular, the practice of playing a senior team in a lower competition is one that AoC Sport discourages as not being in the true spirit of sport.
